Hello again!

On August 31, 2021, the Salt Spring Island Local Trust Committee considered Trust Council Bylaw No. 183 – the policy statement referral. After consideration, the SS LTC passed the following (draft) resolution:

“The SS LTC cannot consider nor recommend approval (of Bylaw No. 183) until satisfied islanders have had an opportunity to provide meaningful input that is integral to the drafting of the bylaw.” **CARRIED**

Take Care,
