Dear Trustees,

I am writing to express my support for the rezoning of Crystal Mountain lands on Galiano Island. I have participated in meditation retreats with Crystal Mountain in the past and can confirm the organization's commitment to environmental protection.

I have been familiar with Crystal Mountain since I moved here more than 20 years ago and appreciate what they offer to the community.

They are very low impact environmentally, offer meditation retreats, and have always respectfully considered the best interests of our community, our forests and water resources.

I support their rezoning application it will benefit our community.

Best wishes,

Deidre Jewell
