RE: Crystal Mountain Rezoning, **GL-RZ-2014.1**

My name is Susan van Asselt and I live fulltime at the north end of Galiano Island. I wholeheartedly support the rezoning proposal put forward by the Crystal Mountain Society.

There is a long history of changing the parameters for this rezoning application that has caused it to stall for a prolonged period of time. It is my understanding that all the requested revisions have been addressed and the application meets and exceeds the requirements for approval. In order to allow the Crystal Mountain Society rezoning application process to move forward, I encourage the trustees to set a date for a Community Information Meeting and Public Hearing in September.

Best wishes,
