Subject: Rezoning Information meeting Sept 24, 2022

Hi, Jane, Tahira and Dan.

It was my pleasure to attend the excellent information meeting this afternoon on the CMS application. Thank you for your work in ensuring this event took place. The care with which this very complex issue was presented was evident and much appreciated.

CMS and the Trust have clearly done a superb job of exercising due diligence on the application. As far as I'm concerned, based on the factual information presented, there can be logical reason not to approve this rezoning. .

Thanks again for this, and for all you are doing in your roles as Trustees, a huge responsibility.
