Subject: Fwd: Support for subdivision GL-RZ 2021 (Matheson-Bairstow)

Dear Planners,

I wholeheartedly support the Matheson-Bairstow subdivision application. Allowing housing further up Bodega Beach Drive is a great step forward in eventually opening up emergency escape routes from Therah, Devina and beyond. Matheson and Bairstow have demonstrated good husbandry in their project to Fire Smart their forest lot and are a great example for other forest lot owners.

Sincerely,

Roger Pettit
