Re: proposed cell tower location on  
Kowby Island, BC.

I attended the online digital meeting regarding the proposed Rogers cell tower on Kowby Island. The meeting was too short and did not give adequate opportunity for people to attend. Many Kowby residents do not have sufficient internet access. I would like you to hold a proper in person public meeting on Kowby Island so that people have opportunity to contribute their

Ideas and concerns.

Sincerely,

[REDACTED]

42 yr. resident of Kowby Island
