Amanda Hala

"Community Rights" creates a structure of law and government of all people, by all people, and for all people. It recognizes and protects the inalienable rights of natural and human communities.

①

Petition

Dec 11/22

We, the undersigned:

-as eligible resident voters of Hornby Island acknowledge the following:

- ROGERS.ca (registered as .com), is a Canadian Media-Tech Innovator & services suppliers
- is proposing to construct a steel tower on Hornby Island Crown Land to deliver a cellular broadcast upgraded service to the community that could/will include 5G services

Having done due diligent research about the harmful effects of broadcast high-tech cellular services (i.e. to plants, birds, bees and humans alike), the undersigned residents of Hornby Island:

Do not provide written or verbal consent to this proposal
