Hi Will,

Not sure which Trustee you are referring to. As I recall, I had asked the planners at our last LTC meeting (May 5) what was going on with the Rogers proposal. What I recall is that they have not heard from the proponent. I did not hear "work things out." Though maybe staff or my fellow trustees could jog their memories.

To the Hornby LTC and Trust Planner:

I've just received a call from a CRHI member, who was told by one of Hornby's "Trustees" that the Trust planner is currently meeting with Rogers "to work things out."

Please inform me and the Concerned Citizens of Hornby Island what exactly is being

"worked out".

Thank you in advance for your immediate reply, Will Thomas
