**Subject:** Opposition to the Rogers Communication Site on Hornby Island

Hi there Alex Alen, Grant Scott, and Timothy Peterson.....

Stani Veselinovic here. I am the the manager of the Hornby Island Recycling Depot. We are the immediate neighbor of the proposed site of Rogers' proposed communications site and communications tower. Please note that all of our nine staff members and our volunteers are in opposition for this communication site to be constructed in such close proximity of our workplace and encourage Rogers to find an alternate location. We request that you decline their application, and on behalf of our staff, I am asking you to vote to "not concur" with the Rogers application for a Hornby cell tower.

.....Respectfully

Stani Veselinovic'

Manager
