Subject: Following up the Last Town Hall on Lasqueti

Hi Stephen,

I'd like to ask you for the details now that we established that you changed the Draft Lasqueti OCP according to the *Local Government Act* (LGA), with this direction given by the LTC.

The specific areas/policies that were removed/changed (page #s are for the last agenda package) are:

p. 60: 4.4.3 3 of 4 advocacy policies involving qRD deleted on p. 60;
p. 67: last half of 1st paragraph under Commercial and Industrial deleted;
P. 68: 5.1.5 h deleted.

Thank you in advance for sending the rationale and specific LGA references.
