I'm sending this message to you in regards to this bylaw application. I feel there needs to be some more discussion before pushing this through.

Bradean has taken the time to listen to me when I approach him in regards to the trucks backing up on pt Wash/ clam bay and the parking of his workers encroaching on our mail box spaces .. he took care of that immediately and it has stopped.. but there are also more issues to be addressed .. so I'm asking that this application be slowed down for now ..

Thankyou for you time

Shirlee Bihun

Sorry I cannot make the meeting as I am out of country
