To whom it may concern

Rezoning Application PLRZ20240110 (Bigham) / 3334 Port Washington Road

I am writing in support of Braedon Bingham and his application for continued use of his yard on Port Washington Road.

I feel this is the best location for this business as it fits in to the already industrial zoning area that is in place which currently has home hardware and the highways maintenance yard and Hydro maintenance yard all in one small area.

I live on Pender Island and have used his services for many years and think it's important for this business to continue operating at its current location.
