Thank you for the opportunity to review and provide comments on the Islands Trust draft Policy Statement. There is broad alignment between the draft Policy Statement and Metro Vancouver's long range plans, including Metro 2040 (the current regional growth strategy) and Metro 2050 (the draft update to Metro 2040), as well as Climate 2050, the Regional Affordable Housing Strategy and the Regional Parks Plan.

We look forward to continuing to work with the Islands Trust at the local level as you move toward implementation. Of particular interest will be Islands in the Gambier Islands Trust Area including Bowen Island Municipality, as well as Passage and Bowyer Islands, which are part of Metro Vancouver's Electoral Area A.
