A NEW WAY FORWARD

Trust Council began fundamental work to advance reconciliation within the Islands Trust Area and within the Islands Trust organization beginning with the January 2019 special meeting of newly elected trustees. At the January 2019 special meeting, Trust Council began outlining the strategic plans of the organization and the goals for the four-year term. To mark a new way forward toward reconciliation, Hereditary Chief Bill Williams/találsamkin siḡam (Skwxwú7mesh) and Hereditary Chief Ian Campbell/Xálek/Sekyú siḡam (x'wəθk'əḡəm/Skwxwú7mesh) spoke to Trust Council at this special meeting encouraging them to approach their term as a journey of reflection and action toward reconciliation. They spoke of the relationship to the land and waters, paddling in the canoe together, and the responsibility that comes when working collaboratively and in mutually respectful ways.

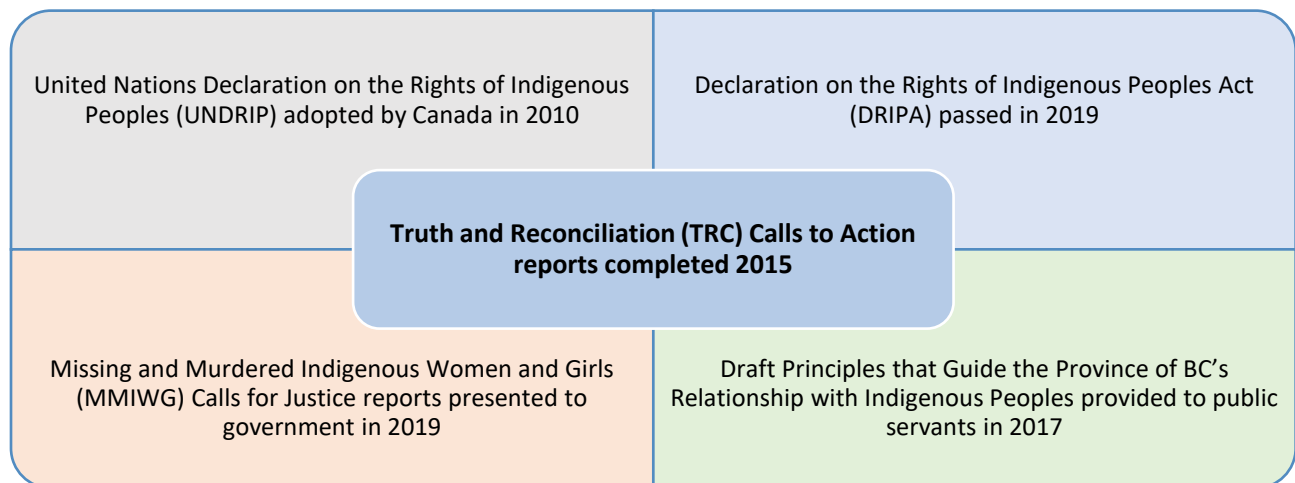

“Reconciliation requires that a new vision, based on a commitment to mutual respect, be developed.”
— Senator Murray Sinclair, Chair of the Truth and Reconciliation Commission of Canada

Foundation Documents: Reconciliation work undertaken by the Islands Trust is guided by the foundation documents tabled and adopted through commissions, testimony, and resolutions of the federal and provincial governments, Indigenous, Métis, and Inuit. Foundation documents include the Truth and Reconciliation (TRC) Calls to Action, the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP), the *Declaration on the Rights of Indigenous Peoples Act* (DRIPA), and the Missing and Murdered Indigenous Women and Girls (MMIWG) Calls for Justice (hereafter called the “foundation documents”).

Staff, as provincial employees, are also guided by the Draft Principles that Guide the Province of BC’s Relationship with Indigenous Peoples (hereafter called “the principles”) and planning staff are also guided by the Canadian Institute of Planning policy statement “Planning Practice and Reconciliation” (“CIP planning principles”).

The United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP) states:

The rights recognized herein constitute the minimum standards for the survival, dignity and well-being of the Indigenous peoples of the world.

Article 43

MISSING AND MURDERED INDIGENOUS WOMEN AND GIRLS (MMIWG) CALLS FOR JUSTICE

On June 17, 2020, the Union of BC Municipalities (UBCM) encouraged members to bring the Calls for Justice to their respective councils or boards for review, prioritization and consideration of endorsement in collaboration with local Indigenous communities.

On July 5, 2020, the Executive Committee requested a staff report with options regarding Missing and Murdered Indigenous Women and Girls Calls for Justice for the September 30, 2020, Executive Committee meeting. The Senior Intergovernmental Policy Advisor (SIPA) provided a briefing to Executive Committee on the Calls for Justice on August 5, 2020, and subsequently Executive Committee passed the following recommendations on September 30, 2020.

RECOMMENDATIONS:

1. That the Executive Committee request that all staff be required to take training related to cultural safety in keeping with Missing and Murdered Indigenous Women and Girls Calls for Justice.
2. That the Executive Committee request that staff plan education on the Missing and Murdered Indigenous Women and Girls Calls for Justice for trustees and senior staff.
3. That the Executive Committee request that the Trust Programs Committee consider the Missing and Murdered Indigenous Women and Girls Calls for Justice when developing draft amendments to the Policy Statement.
4. That the Executive Committee request staff to include information about the Missing and Murdered Indigenous Women and Girls Calls for Justice and cultural safety in staff and trustee orientation materials.
5. That the Executive Committee request that staff draft amendments to the Communications Policy and the Advocacy Policy to address the Missing and Murdered Indigenous Women and Girls Calls for Justice.
6. That the Executive Committee request the Chair to write to the Union of British Columbia Municipalities Executive to report on actions taken by Islands Trust in response to the UBCM recommendation to its members that they consider the Missing and Murdered Indigenous Women and Girls Calls for Justice.

DECLARATION ON THE RIGHT OF INDIGENOUS PEOPLES ACT (DRIPA)

In November 2019, the provincial government passed legislation to implement UNDRIP as a framework for reconciliation. The *Declaration on the Rights of Indigenous Peoples Act* (DRIPA) will guide this work. Islands Trust will begin the process of reviewing policies and processes to align with DRIPA and will provide reporting on this work on an annual basis.

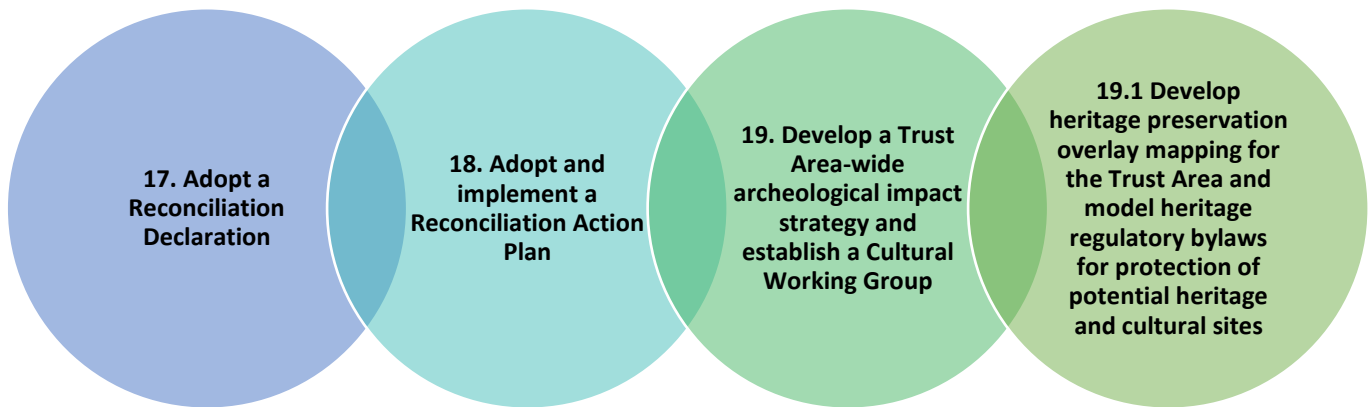

STRATEGIC PLAN ELEMENTS

Trust Council adopted the Islands Trust Strategic Plan 2018-2022 on December 4, 2019 to represent the priorities of Trust Council and the Islands Trust and to provide a framework to guide decision-making and allocate resources. The Statement of Trust Council 2018-2022 within the Strategic Plan states:

The object clause in the *Islands Trust Act* provides our mandate to ‘preserve and protect’ the Trust Area and the Policy Statement remains a primary guide in our goal setting and decision-making. We acknowledge however, that the Policy Statement does not fully contemplate much of what we face. First Nations must be acknowledged . . .we will strive to ensure that we enact the guiding principles of Reconciliation creating mutually respectful and collaborative relationships with First Nations.

Under Community and Communication, the objective set out in the Strategic Plan is to “strengthen relations with First Nations”. The strategic elements to accomplish that include:

17. Reconciliation Declaration: In March 2019 on Gabriola, Trust Council unanimously passed the Islands Trust Reconciliation Declaration to acknowledge, commit, and strive to the principles of reconciliation.

The Islands Trust Council acknowledges that the lands and waters that encompass the Islands Trust Area have been home to Indigenous peoples since time immemorial and honours the rich history, stewardship, and cultural heritage that embody this place we all call home.

The Islands Trust Council is committed to establishing and maintaining mutually respectful relationships between Indigenous and non-Indigenous peoples. Islands Trust states a commitment to Reconciliation with the understanding that this commitment is a long-term relationship-building and healing process.

The Islands Trust Council will strive to create opportunities for knowledge-sharing and understanding as people come together to preserve and protect the special nature of the islands within the Salish Sea. Adopted: Gabriola Island March 14, 2019

Reconciliation Standing Resolutions (item 2 of Reconciliation Action Plan – Standardization of Reconciliation Standing Resolutions): Local trust committees also committed to the implementation of the United Nations Declaration on the Rights of Indigenous Peoples with the passing of a Reconciliation Standing Resolution to guide the respectful relationship with First Nations governments at the local island level. The Local Trust Committees of Galiano, Denman, Hornby, Salt Spring, North Pender, South Pender, Mayne, Thetis, Gambier, Gabriola, Lasqueti, and Ballenas-Winchelsea all passed the Reconciliation Standing Resolution; Saturna Local Trust Committee and Bowen Island Municipality did not pass the Standing Resolution.

That the Local Trust Committee adopt the following standing resolution with respect to First Nations in the Local Trust Area:

Whereas the Local Trust Committee seeks to engage in Reconciliation with local First Nations, governments and the island community by honouring the Truth and Reconciliation Commission (TRC) Calls to Action, United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP), Draft Principles that Guide the Province of British Columbia’s Relationship with Indigenous Peoples, and Islands Trust First Nations Engagement Principles, the Local Trust Committee endeavours to:

- a) Annually, write a letter to First Nations, (re)introducing trustees and staff and provide a schedule of known Local Trust Committee meetings for the upcoming year, as well as, provide an update of current projects and advocacy activities;*
- b) For various Local Trust Committee meetings, invite elders from local First Nations to attend and provide a traditional welcome to the territory;*
- c) Work with First Nation governments on cooperative initiatives, including and not limited to, language, place names, territorial acknowledgements, and community education on Coast Salish and local First Nations’ cultural heritage and history;*

Work with First Nation governments on engagement principles for inclusive land use, marine use, and climate change planning; advocacy, protection and stewardship; and knowledge and information sharing protocols;

Establish and maintain government-to-government dialogue with First Nations, now and into the future, based on respect and recognition of Aboriginal rights and title, treaty rights, and First Nations’ traditional territories within the Islands Trust Area.

18. Adopt and implement a Reconciliation Action Plan

18. Reconciliation Action Plan

At the June 2019 Trust Council meeting on Galiano, Councillor Ken Thomas (Penelakut Tribe) and Jim Chisholm, Band Manager for Penelakut spoke to the historical connections to the lands and waters of the Salish Sea, the collaborative relationship that could exist with commitment from trustees, and acknowledgement of the historical wrongs that continue

to impact First Nations to this day. Trust Council then undertook to unanimously adopt an Islands Trust Reconciliation Action Plan 2018-2022 that outlined steps to meet the Truth and Reconciliation (TRC) Calls to Action and the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP).

In the adoption of a Reconciliation Action Plan, Islands Trust Council sought to fulfil the TRC Calls to Action #43 and #44. Trust Council acknowledged that the journey of truth and reconciliation is a long-term relationship building and healing process that would be undertaken by the organization as a whole, and will require government-to-government engagement, and interagency cooperation into the future.

19. Develop a Trust Area-wide archeological impact strategy and establish a Cultural Working Group

19. Develop a Trust Area-wide Archeological Impact Strategy and Establish a Cultural Working Group - ongoing

Cultural Working Group – over 30 sessions were held over a two year period to engage staff and trustees with Cultural Knowledge Holders, and in training that focused on protocol, Indigenous Law, and cultural understanding. This focused understanding led to greater understanding of the impacts to cultural heritage, and ancestral loved ones.

Members of the Cultural Working Group engaged with SIPA to develop new understanding of their roles as planners, and staff; this focused immersive training empowers staff to build stronger relationships with First Nations, evaluate applications more inclusively, and develop their understanding of cultural safety.

Archaeological Impact Strategy – over the past two years staff have examined the current planning and application process and how that impacts archaeological sites. The following strategies have been put in place as interim measures until 19.1 can be implemented:

- Desktop review of archaeological data to review registered and potential sites on all applications;
- Provide applicants with the “Islands Trust Chance Find Protocol” for all applicants with potential sites on a property;
- Provide applicants with notification of proximity to potential and registered sites on a property;
- Provide applicants with data on archaeological sites on their properties if requested;
- Provide contacts of Cultural Knowledge Holders or contacts at Archaeological Branch if requested;
- Provide planners and staff with knowledge about impacts to and legal requirements to protect archaeological sites;
- Develop relationships with staff at the Archaeological Branch to liaison and describe the role of the Islands Trust and the Islands Trust reconciliation initiatives;
- Develop relationships with Capital Regional District staff to liaison and describe the role of the Islands Trust and the Islands Trust reconciliation initiatives;
- Work with societies and conservation groups to assist them in understanding the importance of cultural heritage and archaeological awareness.

Special Recognition – Trustee Grant Scott liaised with the SIPA and the Archaeological Branch to repatriate an ancestral loved one from an islander’s home, and worked to ensure that the ancestral loved one will be cared for by the K’ómoks First Nation. The ancestral loved one had been disinterred over 45 years ago.

19.1 Develop heritage preservation overlay mapping for the Trust Area and model heritage regulatory bylaws for protection of potential heritage and cultural sites

19.1 Develop heritage preservation overlay mapping for the Trust Area and model heritage regulatory bylaws for protection of potential heritage and cultural sites

The Islands Trust Area is a sensitive ecosystem with significant historical places and cultural heritage throughout the islands and waters. All islands have archaeological sites and cultural heritage places that date back over 10,000 years. Ensuring the preservation and protection of the cultural heritage and heritage values that exist on the islands is a priority for the Islands Trust. The Islands Trust in 2021 will be undertaking an initiative in collaboration with First Nations and Cultural Knowledge Holders and archaeologists to understand how to preserve and protect the significant cultural and historical places within the Islands Trust Area.

The Islands Trust Strategic Plan outlines that staff and trustees will develop a heritage preservation overlay mapping initiative that will inform model heritage regulatory bylaws to ensure the protection of potential heritage, and cultural sites. The Islands Trust staff and trustees look forward to engaging with community and First Nations to ensure that we preserve and protect the heritage and cultural values on the islands now and in the future.

ORGANIZATIONAL CHANGE THROUGH TRAINING

1. Education/Training – Cultural Competency, Cultural Safety – 2-year plan Reconciliation Action Plan

Training is a foundational step within an organization. Training in reconciliation leads to greater understanding and knowledge and the Truth and Reconciliation Commission stated, in Calls to Action #57, that education in reconciliation is the responsibility of all governments. Public servants and elected trustees cannot fulfil their roles without an understanding of the history and legacy of the Islands Trust Area and the genocide that occurred to Indigenous Peoples.

57. We call upon federal, provincial, territorial, and municipal governments to provide education to public servants on the history of Aboriginal peoples, including the history and legacy of residential schools, the United Nations Declaration on the Rights of Indigenous Peoples, Treaties and Aboriginal rights, Indigenous law, and Aboriginal–Crown relations. This will require skills-based training in intercultural competency, conflict resolution, human rights, and anti-racism.

TRC Calls to Action

Executive Committee and the Chief Administrative Officer approved the development of training modules for trustees and staff, and Trust Council set learning about Indigenous Law and First Nations Engagement as a Learning Series priority. The Islands Trust sought to provide training to staff and elected officials based on the guiding principles of the foundation documents, the principles, and the CIP planning principles. The Islands Trust also sought guidance and review of the training modules from Hereditary Chief Bill Williams (Sḵwxwú7mesh), residential school survivors Bill Adsit (Tahltan) and Hereditary Chief Eugene Harry (MÁLEXEŁ), and Holocaust descendant Rima Wilkes (Professor UBC Sociology).

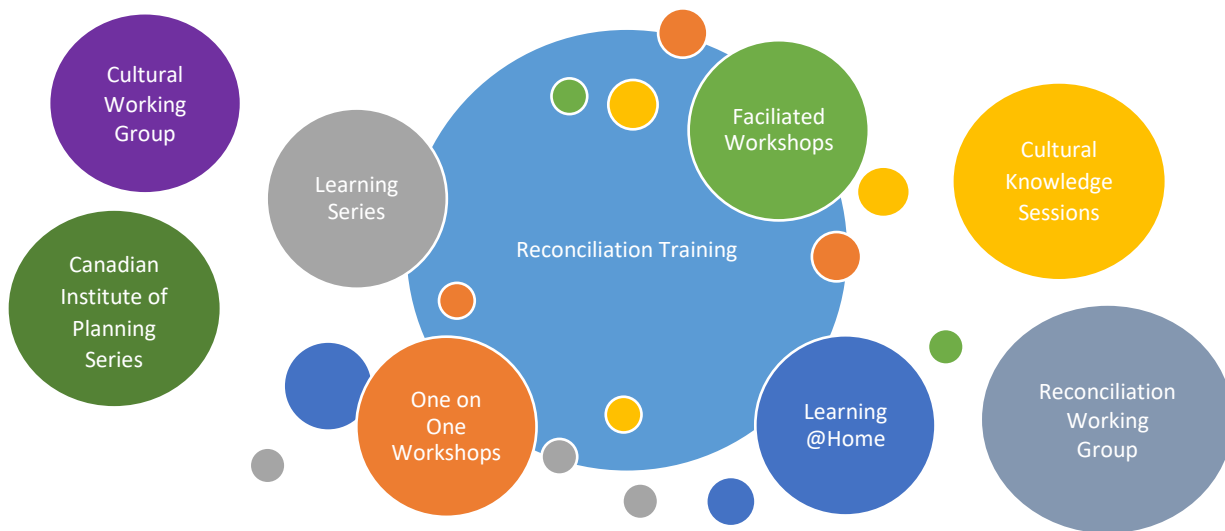

The Islands Trust commitment to reconciliation training is a commitment to all Islands Trust staff and the Islands Trust community. It represents a commitment to the reconciliation journey all Canadians must undertake.

Successful learning¹ means we can be challenging the learned beliefs and premises that exist within people, organizations, and environments. The culture that an organization creates to lead in the learning environment means approaching the whole organization and the whole person. Education in reconciliation as outlined by the TRC Calls to Action #57 will require leadership, organizational transformation, openness to learning, shifting the landscape of learning, and understanding of the physical design of training modules.

¹ Methodology source: Harvard University Leaders of Learning Professor Richard Elmore, Educational Leadership/Harvard Graduate School of Education

Within the Islands Trust, training success means shifting the common identity and set of beliefs of the organization. Within the Islands Trust Area, systemic challenges exist that create a false narrative of Indigenous Peoples history, presence, social structure, kinship ties, First Nations jurisdiction, governance, reserve system, and the oppressive legislation that lead to genocide. Although the Islands Trust values to preserve and protect are an organizational strength; how those values are expressed and operationalized within the organization must be challenged through training as set out by the TRC Calls to Action #57. The Trust Council and Chief Administrative Officer undertook this work and the Senior Intergovernmental Policy Advisor produced, and delivered all training, and vetted all outside training, webinars, podcasts, documentaries, or information material. To create lasting change over time training modules are provided to trustees and staff using various methods.

The following principles were used to create successful learning experiences and support organizational change.

Principle One²: Pathways Principle – how do you change over time, how do you learn and develop? Pathways Principles means creating varied opportunities to learn with both mandatory and voluntary experiential ways to engage. The Pathways Principle allows for visual, auditory, reading, and questioning learners learning styles to be met ensuring that a one-size fits all approach is avoided.

Principle Two: Context – modeling behaviour and learning potentialities based on the physical, social, and relational factors in the environment. SIPA provides modeling behaviour based on Indigenous protocol, and cultural teachings as well as introducing staff and trustees to learning sessions on the land with Cultural Knowledge Holders, and Indigenous leaders, and community members. Learning modules

² Methodology source: Harvard University Leaders of Learning Professor Richard Elmore, Educational Leadership/Harvard Graduate School of Education

speak to the place in which we live, the relationship to the land and waters, Indigenous ways of knowing, and the social and economic lived experience within the Islands Trust Area as it relates to the treaty and territorial lands and waters of First Nations.

Principle Three: Dimensions of the Learner – looking at the whole learner. Teaching from a place of understanding the whole learner means accepting we are on a journey, and that many people are at different stages of learning when they come to work or are elected to the Islands Trust. Learning may need to be adjusted or tailored to different learners and learning may need to happen over time. There is no expectation that all learners will reach the same place at the same time through one learning module or methodology. The goal is to ensure that each person that is trained within the Islands Trust structure moves forward on their journey to help and touch others with their learning.

One on One Workshops (item 1.1 of Reconciliation Action Plan): meeting with staff and trustees on a one on one basis allows learners to talk about their gaps in understanding, bias, stereotypes, and lived experiences in a safe and supported workshop.

Facilitated Workshops (item 1.2 of Reconciliation Action Plan): half-day sessions held at each office location or on island with trustees.

Learning Series: Reconciliation Orientation (item 1.3 and item 1.9 of Reconciliation Action Plan) – presentation and meetings, with orientation material.

Learning Series: Residential School History and Legacy (item 1.4 of Reconciliation Action Plan) – mandatory training and presentation with speaker. Presentation is selected material from the Truth and Reconciliation Commission Six-volume Reports. Presented to trustees in December 2019 in Victoria Bill Adsit (Tahltan) residential school survivor speaker. Presented to staff in January 2020 by electronic zoom meeting (due to COVID-19 restrictions) Hereditary Chief Eugene Harry (MÁLEXEŁ) residential school survivor speaker.

Learning Series: First Nations Acknowledgements (item 1.7 of Reconciliation Action Plan) – electronic meeting to practice language, names, and phrasing, with handout.

Learning Series: Indigenous Law, UNDRIP, Rights and Title (item 1.13 of Reconciliation Action Plan) – planning staff participated in an electronic meeting to learn and ask questions on concepts and legal principles that are fundamental to their work, with booklet.

LEARNING @HOME

Is a voluntary individually directed learning experience. If you want to learn more about a certain topic covered in the Learning @Home series or have a question about a particular topic that sparks your interest please send me a note by email, or chat on Jabber. Many of the Learning @Home topics have come from staff members or trustees seeking out knowledge on reconciliation, First Peoples, or history and then forwarding that to me. I am grateful for this sharing and that this individual learning staff has undertaken has helped expand learning and that we are all learning together in new ways at the Islands Trust.

Cultural Knowledge Holder Workshops (item 1.8 of Reconciliation Action Plan) - staff and trustees attended on island sessions with Harold Joe, Cultural Knowledge Holder (Cowichan Tribes) on understanding cultural heritage, history and legacy of impacts to cultural heritage, respecting the land and waters, and cultural understanding. Some sessions were attended by Capital Regional District staff and officials, conservancy societies, and islanders. Sessions also included staff from the Islands Trust Conservancy and partner conservancy society members.

Cultural Working Group (item 1.8 of Reconciliation Action Plan) - Creation of a cultural working group with the intention of focusing on knowledge and understanding around engagement, protocol, cultural understanding, and working with First Nations. Six staff members and eight trustees form the cultural working group. Members of the cultural working group received more focused training, and participated in cultural knowledge holder sessions.

Learning @Home Reconciliation and Truth (item 1.7 of Reconciliation Action Plan) – documentaries and questions.

Indigenous Approaches to Planning – Canadian Institute of Planning (item 1.10 of Reconciliation Action Plan) series went for one week with webinars on land use, methodology, Indigenous ways of knowing, cultural knowledge, legal understanding as it relates to planning, and engaging with First Nations – notes were provided to all planners summarizing the sessions.

External Training Sessions (item 1.12 of Reconciliation Action Plan) – SIPA presented the Islands Trust reconciliation process at UBC Sociology (two sessions), Royal Road University (one session), and Royal Road University Environmental Planning (one session).

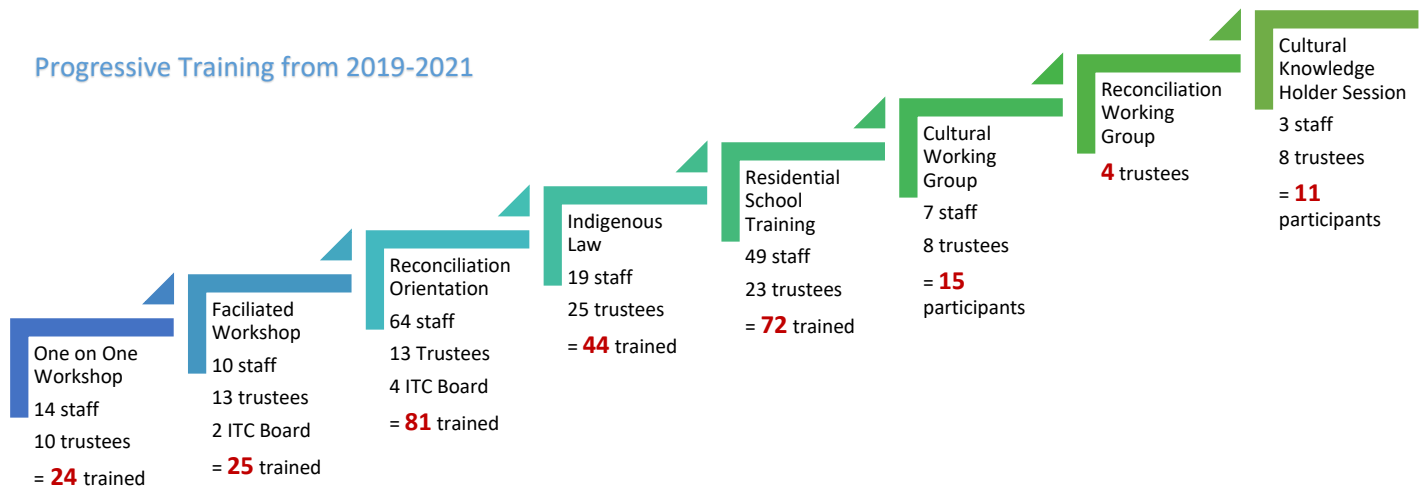

Training Participation:

Over the past two years, training outcomes have created positive change within the organization. Islands Trust has also trained fourteen staff who have moved on to other ministries, local governments, or other positions outside the organization.

Percentage of trustees participating in training = 96%. Percentage of staff participating in training = 98%

Progressive Training from 2019-2021

Over the coming year orientation material and mandatory training processes will be put in place to assist staff and trustees in understanding and training. Looking forward, engaging with Cultural Knowledge Holders and specific topic speakers will be an ongoing goal.

POLICY STATEMENT AMENDMENT/ISLANDS 2050

In 2017, the Islands Trust began engaging with First Nations government on the plans to amend the Islands Trust Policy Statement. Correspondence was sent to First Nations to introduce the Policy Statement Amendment process. In 2018, Islands Trust corresponded with First Nations to introduce the

Islands 2050 project and to express the hope to engage on a meaningful level to collaboratively begin the process of amending the Policy Statement.

At the end of 2018, and the beginning of 2019, the Islands Trust trustees and senior staff began the engagement process. Meetings were held with various First Nations and with Treaty Alliances or Councils. In 2019, all communities and organizations were impacted by COVID-19. Islands Trust staff undertook to change the engagement process to adjust to the new reality of remote working/community safety/access to technology.

Capacity Funding - From 2019 to 2021, the Islands Trust provided capacity funding to First Nation governments and First Nation treaty associations to review and engage on the Policy Statement amendment process. The Islands Trust also began dialogue with other ministries and agencies to collaboratively work together to fulfil the co-collaborative Object of the Trust and support the work of reconciliation in the Trust Area. To date meetings have been held with Ministry of Indigenous Relations and Reconciliation. First Nations and Treaty Alliances will be able to access capacity funding until the end of March 2021.

WORKING WITH COMMUNITY

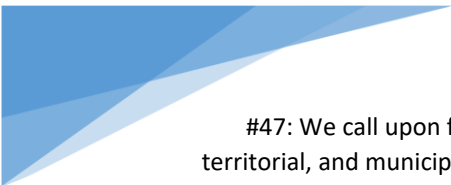

Community engagement and support on reconciliation engagement occurred throughout 2019 and 2021 with conservancy groups and societies, constituents, and island organizations. Islands Trust Senior Intergovernmental Policy Advisor provided educational resources, and understanding to various societies, and conservancy groups, and liaised with individual constituents on reconciliation and the work of the Islands Trust.

Direct engagement with community was postponed due to COVID-19 including the *Dust n Bones* documentary presentation on Denman, Hornby, Gabriola, and Salt Spring Island. The *Dust n Bones* documentary presentation was made possible through the Islands Trust History and Heritage Grant. The Senior Intergovernmental Policy Advisor supported the grant application to UBCM Reconciliation Pilot Project to facilitate reconciliation work on Galiano Island. One event was attended by over 100 Galiano islanders to hear from Elder August Sylvester (Penelakut Tribe) and Harold Joe (Cowichan Tribe) and host a screening of *Dust n Bones* before COVID-19 restrictions were put in place.

COMMUNICATIONS/MEDIA ENGAGEMENT

Since 2018, the SIPA has reviewed news releases and communications material to ensure that language and tone aligns with the Islands Trust goals of reconciliation. On March 19, 2019, the Islands Trust began incorporating language and territorial place in news releases. In 2019, fifteen news releases have incorporated First Nations language and acknowledgement of territorial or treaty place. In 2020, all twenty-five news releases included First Nations language and acknowledgement of territorial or treaty place.

As the Islands Trust moves forward communications, language and tone will be reflective of the foundation documents and specific Truth and Reconciliation Calls to Action such as:

#47: We call upon federal, provincial, territorial, and municipal governments to repudiate concepts used to justify European sovereignty over Indigenous peoples and lands, such as the Doctrine of Discovery and terra nullius, and to reform those laws, government policies, and litigation strategies that continue to rely on such concepts.

UNDRIP Article 8 (e) Indigenous peoples and individuals have the right not to be subjected to . . . any form of propaganda designed to promote or incite racial or ethnic discrimination directed against them.

UNDRIP Article 15 (2) States shall take effective measures, in consultation and cooperation with the indigenous peoples concerned, to combat prejudice and eliminate discrimination and to promote tolerance, understanding and good relations among indigenous peoples and all other segments of society.
