Dear Mr. Johnston,

Thank you for acknowledging that I am in fact a real individual. I very much appreciate that you bothered to respond. The housing crisis is a major issue on our smaller islands. There must be a way to preserve unconventional housing that people are currently feeling safe and financially able to afford.

I look forward to sitting in on the webinar on wednesday evening. I have also shared the link to register with others that are interested in this issue.

Hope you and your family are staying safe and healthy in these crazy times.

Sincerely;  
Julie Peacock
