Subject: Trust Council Special Meeting July 8

Hello,

As a home owner and resident of Saturna Island, decisions made by the Islands Trust affect me and the island where I live directly.

Please delay the first reading of the latest IT draft policy until after appropriate consultation and meetings with the residents of all the Southern Gulf Islands. The Islands Trust is not a dictatorship and needs to recognize its role and responsibilities in any type of decision making or governance of the citizens of the Gulf Islands.

Sincerely,
Jude White
