Subject: Islands Trust Policy Statement

We are writing to ask that the Special Trust meeting on July 8/21, to approve and proceed with adopting the Amended Policy Statement, not go forward.

We are long term property owners and residents (South Pender 45 years) and were totally unaware that the Islands Trust was reviewing the Trust Policy with such possible wide reaching implications. There has not been sufficient community input.

Despite some being comfortable with "Zoom" type meetings this form of communication is not viable for us and many others. Public meetings are necessary.

For the last year and a half we, along with the rest of the world, have been majorly distracted with the worry and welfare of ourselves, family and friends. The timing was and remains wrong for the trust to proceed with adopting the amended Policy Statement.

Yours truly,

Audrey and David Green
