**Subject:** Protesting first reading of revisions of the islands trust policy statement

Good morning,

I am writing to protest the rushing of the First Reading of the revision of the Islands Trust Policy Statement. I became aware of the proposed changes through other concerned Gulf Islands citizens.

I feel there has been no transparency or consultation by the Islands Trust with the owners and residents in the area regarding these proposed changes.

Islands Trust seems to be run with a totally hidden agenda. Also Bowen Island has its own governing body, the Bowen Island Municipality, and therefore has no need for another blood-sucking bureaucratic organization that adds nothing to our island's well-being. Personally I feel we need to divorce ourselves totally from the Islands Trust and its money-grabbing policy that adds nothing of value to our lives on Bowen Island.

In one breath, my life changed forever.  
In gratitude for the love of family and friends,

Stay calm, stay kind and stay well,

**Jeanie**
