1	Name	City	Date	Comment
2	Tammy Adolf	Pender Island	2021-06-24	"More community review and consultation needs to take place before a First Reading."
3	Patrick Olmsted	Gabriola	2021-06-24	"The islands under the Islands Trust governance are under significant threat from development. The Trust has been seen to be mandated to protect the Islands, these proposed changes are seen to threaten the ecosystems the Trust is supposed to protect. The trustees that have been elected to "preserve and protect" the islands have to explain to their constituents why they are eroding their mandate, this will require comprehensive community engagement."
4	Heather Harris	Vancouver	2021-06-24	"Authentic community engagement is critical to the future of the islands. Listen, engage, then act."
5	andrew money	Saturna	2021-06-24	"No in person public discussions during a pandemic. The document is a huge overreach."
6	Karen Marcotte	Salt spring island	2021-06-24	"Trying to push through major changes like this without mass public consultation is disgraceful."
7	Shelley Easthope	Pender island	2021-06-24	"The Islands Trust is unable to enforce or in some cases even keep track of many current by-laws. Adding more jurisdiction will not improve this situation. There needs to be a great deal of community discussion before changes are made. Education is more effective than legislation."
8	Mary Jones	Saturna Island	2021-06-24	"This should not have proceeded during COVID when there could not be public meetings."
9	Ann Klaveness	Vancouver	2021-06-24	"These are huge and far reaching changes to The IT policy statement. This should not be done during a pandemic when face to face meetings are not possible. Zoom town hall meetings does not work in an area where the Speed of internet is often slow and/or access to internet is spotty! It needs to be delayed until meaningful full face to face discussions are possible!!!! Full Community involvement is needed and that has not taken place by a long shot!"
10	Anna Dickson	Vancouver	2021-06-24	"I strongly believe the Island communities need more time to educate themselves as to fully understand the impact of the proposed new policies!"
11	Jane Mann	Nanaimo	2021-06-25	"Concern regarding the potential loss of uniqueness and self determination regarding land use on the island where I live, Gabriola. A full public hearing where the trustees are open to listening and making their decisions according to the wishes of the majority of the community is important. What is the rush? Take our time and get it right!"
12	Anne Kaye	Vancouver	2021-06-25	"By signing this petition I respectfully ask that you delay the vote on the first reading until comprehensive, live, island by island consultation has been completed"

13	Karen Bell	Pender Island	2021-06-25	"We all want to protect our beautiful Pender Islands. But what does that mean? We all deserve an opportunity to be educated fully about proposals being brought for change. Anything worthwhile will benefit from an informed public and fair process. In these very extraordinary times, dealing with extraordinary change (which the current proposals represent) other than complete transparency and clarity is simply untenable. This IS 2021!"
14	rachel vadebonco	Salt Spring Island	2021-06-26	"once a bylaws is instituted, it is very difficult to unravel...."
15	Ideet Sharon Mar	Vancouver	2021-06-26	"these are human rights violations"
16	Judy Cross	Vancouver	2021-06-26	"I feel the IT has become increasingly devious over the years and can not be trusted."
17	Alma Lightbody	Pender Island	2021-06-26	rel="nofollow">
18	Theresa Jiwa	Vancouver	2021-06-26	"Susan Rungta"
19	Rohan Erck	Sidney	2021-06-27	"I want a the Islands Trust to have a democratic process."
20	Tom Boekbinder	Salt Spring Island	2021-06-27	"There has not been enough disclosure and discussion."
21	Nancy Woodham	Vancouver	2021-06-27	"I own property in the Southern Gulf Islands. I want more transparency and public consultation in this matter."
22	Linda Burgess	Salt Spring Island BC	2021-06-27	"I'm signing because this is a ridiculous infringement upon our rights."
23	Derryck Smith	Vancouver	2021-06-27	"I want to have more open discussion about this proposal."
24	Steve MacLean	Gabriola	2021-06-28	"As a person with disabilities, I need more time to absorb and process this information."
25	Don Brown	Mayne island	2021-06-28	"The island trust needs to consult with the residents a lot more than it has. And preferably post pandemic."
26	Urs Boxler	Pender island	2021-06-28	"I don't think that the proposed changes have been sufficiently made public and the implications are largely unknown to residents."
27	corinnehaentjens	Gabriola	2021-06-28	"I want to preserve and protect the Gulf Islands"
28	Paul Beeson	Vancouver	2021-06-29	"I would like more information and study this more, I only just heard"
29	Susan Washington	Saturna	2021-07-01	"The public has not been consulted in an effective or meaningful way. The results are driven by staff not those CB of us who live on the islands."
30	David Lindquist	Mayne	2021-07-02	"Postpone first reading until after the next Trust elections."
31	Dori Vanstolk		2021-07-03	"I am signing because...people cannot be controlled. When they are controlled, there will be uprisings, there will disorder, there will be disease. People need to be engaged, respected, listened to, heard, and seen."
32	Juanita Evans	Richmond	2021-07-03	"I am a property owner on Pender Island and am signing because I feel there has been inadequate consultation given the extent of the changes in this proposed 2050 Policy Statement."

	A	B	F	G
33	Shane Greenall	Pender Island	2021-07-05	"The whole mandate is flawed and basic procedures have been manipulated during a pandemic ☹️"
34	Greg Mooney	Abbotsford BC	2021-07-05	"I am opposed to changes of regulations with no input from all stakeholders. Including me."
35	Sophelia Saunder	Mayne island	2021-07-05	"Just not right at all"
36	Forrest Behr	Richmond	2021-07-07	"I'm worried about the future of Salt Spring. These proposed changes could harm a person's ability to be gainfully employed or to have even the most reasonable use of their property curtailed."
37	Justin Prang	Vancouver	2021-07-07	"The Islands Trust needs to govern FOR the people, because the people are part of the environment. The first reading must be delayed!"
38	Ryan Dyer	Delta	2021-07-07	"The changes seem to restrict owners usage of their property too much"
