Re. Draft Bylaw 183 - Trust Policy Statement

These are my comments on the DRAFT BYLAW 183 as of February 7, 2022.

Some of the sections in Draft Bylaw 183 are duplicated/connected/reinforced by other sections.

Section 6.1.1 (Scenic View value) and Section 4.3.9 (Tree harvesting practices).

Section 4.2.6 (prevent loss of natural species - Beavers for example) and 4.3.9 (regulation of tree cutting).

and

My suggested addition to Section: 6.1.15. - (Include with Casino and Bingo). - Houses of ill repute should not be located in the Trust Area.

Sincerely

Mary Jean Elliott
