**Subject:** Bowen Island

As permanent full-time residents of Bowen Island for over 44 years, my wife and I have had enough of the islands trust influence on Bowen Island. You have become redundant. We have a municipality that is capable of handling anything that Needs to be dealt with. We don't want explanations or excuses. We just want you to go away and take your exorbitant charges and fees with you. Good riddance.

Larry Schmidt and Jean Grierson. Bowen Island.
