Subject: 3Ravens Affordable Housing Application

3ravenscoop@gmail.com

Dear Denman LTCers:

I'm writing to express complete support for the 3Ravens Affordable Housing Application. I feel this initiative helps address the affordable housing crisis the island faces: how to make much-needed affordable housing available without contributing to eventual gentrification or to compromising the island's carrying capacity.

Obviously the application is not without its challenges. Ideally the proposal would be located much closer to the downtown core and would entail a larger acreage to help mitigate possible impacts on neighbouring properties. However, I believe the net gain for the community outweighs these concerns, and I encourage you to help facilitate the proposal's implementation.

Thank you,

Des Kennedy
