**Subject:** Support for 3 Ravens Coop

Dear Denman Island Planners and Trustees,

I'm writing to voice my enthusiastic support for the 3ravens rezoning application. I have read and understand the 3Ravens affordable housing application. I fully support this project and I see it as a crucial part of creating much-needed affordable housing on Denman.

As someone who depends on affordable housing to live on Denman, I value initiatives like this, which are crucial to support lower- and middle-income residents on the island. It is clear that they have worked hard to address concerns and to create a proposal that is socially and ecologically responsible, and their income-based formula represents a thoughtful way to address income disparities.

Thank you,

Nick Montgomery
