**Subject:** 4100 Pinecrest Road application

Dear Island Trustees and planners.

I am writing to express my full support for this application.

I have read and understand the 3 Ravens Coop proposal and urge you to approve it.

For seven families or individuals to be invited to join this coop where the cost of land is donated makes having your own home a reality for those of limited means.

It has been twenty years since the first Non Profit housing group, Denman Community Land Trust Association was formed and the need for affordable housing has become so much more urgent.

This application presents a fantastic opportunity for affordable homes and is well thought out with principles that align with sustainability and community living. It deserves the Islands Trust's full support.

This is a no strings attached, generous offer by a land owner to help solve the dire need for more housing on Denman.

I ask you to give the application your blessing and support so that the dream of this Land Share Cooperative can move forward to reality.

Sincerely

Jane Lighthall
