Subject: Support for 3Ravens co-op

Hello,

I am writing to support the planned 3Ravens housing co-op. As a Denman resident and renter since 2010 I am well aware of the shortage of housing here.

I know Paul Weyer and Tara Parkinson from other projects and I very much admire their commitment to dialogue, attention to detail, and exhaustive thoroughness. The same qualities are evident in their preparation of this proposal, notably their consultation with a wide range of residents, potential members, local organisations and the Islands Trust.

Their land donation to this co-op and commitment to conservation show not only astonishing generosity but also a broad and long-term vision. I am sure that as co-directors they can inspire this small coop to overcome possible challenges identified by opponents of the project, and more.

Sincerely
