Subject: Support for 3Ravens

Dear Denman Island Planners and Trustees,

I have read and understand the 3Ravens affordable housing application. I fully support this project.

I have been involved with DCLTA and now Denman Community Housing Society for a number of years and we are getting no where fast on the building of affordable housing. Hopefully with community support we will move our projects forward. HOWEVER, we need a range of more affordable housing possibilities on this island.

Thank you,

Nancy Hoyano
