Subject: Support for 3Ravens

Dear Denman Island Planners and Trustees,

I have read and understand the 3Ravens affordable housing application.

As a full time resident of Denman Island and home owner I fully support this project.

It has become extremely difficult to fund and build affordable housing on our island and it is urgently needed. There is always a good reason not to address the problem but after decades of discussion we have exactly one affordable house on Denman.

Thank you,

Chris Wardman
