Subject: 3Ravens Land Share Affordable Housing Co-operative Application - Full Support

Dear Denman Island Planners and Trustees,

I have read and understand the 3Ravens affordable housing application. I fully support this project.

I am 40 years old and for the last 15 years of my life a common question among my peers has been: why don't older generations share more of their wealth with us? In particular housing and land.

I think the 3Ravens project is a great example of the kind of generosity that our society desperately needs combined with thorough and thoughtful structure to ensure that this affordable housing land share cooperative is set up in a way that fits the Denman community and is light on the land.

This is a golden opportunity to make more affordable housing on Denman, please work to make it happen as soon as possible.

Thank you,

Dylan Gale
