ANALYSIS

Islands Trust Policy Statement (ITPS):

An ITPS Directives Only Checklist has been prepared for each of the bylaws (see Attachment 1 and 2). In staff’s opinion, Bylaw Nos. 228 and 229 are not contrary to or at variance with the ITPS.

Amendments to Proposed Bylaws:

The amended bylaws have been developed in accordance with LTC direction, OCP policies, the Agricultural Land Commission Act (ALCA) and the feedback obtained during engagement. The amended copies of both draft bylaws are found in Attachments 3 and 4.

Staff have also included a “track changes” copy of the bylaws in Attachment 5 and 6. The “track changes” copies of the Bylaws highlight the amendments endorsed at the September 27, 2022 LTC meeting.

Consultation

Referrals were initially sent out after first reading in 2018; however, given the length of time that has passed and the proposed amendments, re-referrals to agencies and First Nations are required.

As the project involves proposed OCP amendments, the LTC is required by the *Local Government Act* to consider opportunities for consultation with persons, organizations and authorities it considers will be affected. The LTC should consider if it wishes to undertake additional consultation with agencies or First Nations other than those identified below and direct staff accordingly. Following second reading, staff recommends Bylaw Nos. 228 and 229 be referred to the following First Nations and agencies:

- Cowichan Tribes
- Halalt First Nation
- Lake Cowichan First Nation
- Lyackson First Nation
- Penelakut Tribe
- Snuneymuxw First Nation
- Snaw'Naw'As Nation
- Stz'uminus First Nation
- Te'Mexw Treaty Association
- Homalco First Nation (Xwemalhkwa)
- K'omoks First Nation
- Nanwakolas Council
- Wei Wai Kum Nation
- We Wai Kai Nation
- Qualicum First Nation
- Comox Valley Regional District
- Denman Growers and Producers Alliance
- School District #71 (Comox Valley)
- Ministry of Agriculture and Food
- Agricultural Land Commission
- Hornby Island Local Trust Committee

- Tla'amin Nation

- Denman Island Advisory Planning Commission

A community information meeting and public hearing are included as part of community consultation, and may occur between first and second reading, or between second and third reading.

Rationale for Recommendation

The intent of the Denman Island Farm Plan is to enhance and preserve farming in the region and work towards increased farm production that is both sustainable and resilient. Amendments to the OCP and LUB are required to help formally protect Denman Island’s land base for agriculture. Staff recommend that Bylaw Nos. 228 and 229 be given first and second reading as per the recommendation on Page 1 of the staff report.

ALTERNATIVES

1. Make minor amendments to the draft bylaws and then proceed to second reading.

If the LTC wishes to make minor amendments to the draft bylaws, this can occur prior to consideration of first reading via the following resolution:

“That the Denman Island Local Trust Committee amend Bylaw No. (insert bylaw #), cited as “Denman Island (insert OCP or LUB), 2008, Amendment No. 1, 2018”, by (insert specific changes here).”

The LTC could then proceed with the resolutions noted on page 1 of the staff report.

2. Request staff prepare revised draft bylaws for consideration of second reading at a subsequent meeting

If significant changes to the bylaw are desired by the LTC, the LTC should request that staff prepare revisions for LTC consideration at a subsequent meeting, via the following resolution:

“That the Denman Island Local Trust Committee request that staff to prepare the following amendments to Bylaw No. x, prior to Local Trust Committee consideration of second reading: (insert requested changes).”

Staff would provide the LTC with revised bylaw language to consider at a subsequent LTC meeting.

3. Request staff to include additional bylaw referral recipients.

The LTC can request additional bylaw referral recipients to those recommended by staff. The LTC should specify the additional recipients as a part of the recommended referral resolution on page 1 of the staff report.

NEXT STEPS

Subject to LTC concurrence with the staff recommendations, referrals to First Nations and agencies would be sent and a CIM and Public Hearing would be scheduled once the referral period closes.

Staff will use the Policy Statement Checklist (Directives Only) to review Local Trust Committee and Island Municipality bylaw amendment applications and proposals to ensure consistency with the Policy Statement. Staff will add the appropriate symbol to the table as follows:

- ✓ if the bylaw is consistent with the policy from the Policy Statement, or
- ✗ if the bylaw is inconsistent (contrary or at variance) with a policy from the Policy Statement, or
- N/A if the policy is not applicable.
