Y'all are so good at 2 days notice!

Thank you for working on your long weekend so we didn't find out about this on Monday.

I sincerely hope that when this is rescheduled that our community will be given a minimum of 2 weeks notice, which is what I am required to give y'all to present anything to my Local Trust Committee.

Sincerely and incredulously,

Riane da Silva

I gratefully acknowledge their generous spirits and peaceful ways.

May all relations be honestly reconciled. May all Canadians fulfill our obligations to be good treaty partners.
