Gabriola Island, BC V0R 1X3

## **Letter of Support for File GB-RZ-2022-1**

Please accept this letter of support for Wild Rose Garden Centre's application to rezone their property for additional uses. As their neighbour across the street, we fully support their proposed additional uses and activities to include retail sales/rentals, additional businesses/offices and affordable housing for staff.

Thank you,

Ashley Manning  
General Manager  
The HOPE Centre
