Hi Staff at the Northern office,

Just in case you did not get this via the addresses below; perhaps it can be added as late correspondence.

Thank you,

Susan

Gabriola Trustees,

I am strongly opposed to approval of this application.

There were dozens of letters sent-in, the last time, for this address, "opposing".

I am still strongly opposed.

Please advise on the process to officially notify Island Trust of my objection.

Regards, Tom Sones

Gabriola
