Good afternoon,

I have just been made aware of the application for temporary use Permit (GB-TUP-2023.4) for 276 Tinson Road.

I am opposed to any TUP in the neighbourhood for an AirBnB, as I was for the prior application for this site a few years ago, and for all the same reasons.

It will change the quiet ambience of the neighbourhood, it is a commercial entity in a residential zoned neighbourhood, and it will increase traffic in the area.

Please add my name to the agenda documents.

Thanks,

Bob Gaultois
