Dear Trustees,

I am writing to express my opposition to the current application for a Temporary Use Permit for a short term vacation rental at 376 Tinson Road. I understand that this application will be reviewed in an upcoming trustee meeting.

When this application was originally submitted in 2021 (GB-TUP-2021.1) the people in the neighbourhood spoke up loud and clear and said they did not want to have this commercial enterprise operating in their community. Many letters were written and representations made to the islands trustees. As a result the TUP was denied.

Since then nothing has changed and yet the owners of the property at 376 Tinson continue to demonstrate a blatant disrespect for their neighbours by taking another try to get their business established.

Please deny this application and enter my opposition and this letter into the official record.

Regards,

Carol Goozh
