To whom it may concern,

I am writing this letter in support of Geneen Georgie in her application GB-TUP-2023.5. I am Leya Robinson, the Community Director of Camp Miriam (835 Berry Point Road). Geneen is our neighbour, and has been not only responsible and respectful, but a meaningful member of our Berry Point Road community. She has been our most supportive neighbour - helping Camp Miriam with accommodations when we have needed it in the summer, looking out for the wellbeing of our property, and overall being an incredibly caring neighbour. This is so appreciated as we know it's not always easy to live beside a summer camp. Geneen has gone above and beyond - such as warning us when a cougar was seen on our property, looking out for trees that may be dangerous, and calling us when there is any trespassing during the year. All of us at Camp Miriam are grateful to have a neighbour like Geneen! Please feel free to contact me if you have any follow up questions.

Sincerely,

Leya Robinson
