Hello,

Here is another one.

Thank you for posting the last ones

Support letter for Application GB-TUP-2023.5

March 18th 2024

[REDACTED]
[Gabriola BC](#)

Dear Islands Trust,

We stand in solidarity with our neighbours and express our unwavering support for Geneen, whose extensive experience in short-term rentals instills confidence in her ability to cultivate a safe and thriving environment within our community. Embracing change is imperative in today's economy, and we eagerly anticipate the promising job prospects and localized economic upsurge that a short-term rental could bring to our beloved Gabriola Island.

Sincerely,

Bill Hjelholt
