Subject: Letter of support

Dear Galiano LTC,

We write this letter in support of application reference number PLRZ20240003

We believe the applicant's proposed business plan would benefit many on the island by offering new and exciting services, bringing in tourism and increasing local economic opportunities, while also placing priority and thorough consideration on the unique environmental and sustainability needs we have here (water usage, local wood/lumber processing, local food production).

We ask that you consider granting the proposed zoning application.

Thank you,

Megan Ireland and Robert Gathercole
