Subject: Fw: Associated Islands Regulations Review Meeting September 19th, 2025

Hello

I am Pamela De Mark, an owner at [REDACTED], Wise Island, and also act as the Chair of the Trustees for the Wise Island Improvement District.

I am in complete agreement with the comments made by my neighbour Todd Rogers and ask for the same adjustments to our bylaws to appropriately consider the unique facts of the Wise Island lot arrangements and requirements, as Todd has detailed.

Kind regards
Pamela De Mark
