Dear Ms McCargar and Gambier Island Local Trust Committee Members, I am writing in regard to Dusty and Joey Mois' request for variance permit No PLDVP20250170. My name is Merry Mathers, I reside at [REDACTED] directly abutting the Moi property, (Lot [REDACTED] of Plan 20538 on your Islands Trust sketch). I do hereby inform you and the Islands Trust Committee that I have no issues with anything the Mois do on or to their property regarding building or other development!! I am certain they will act in compliance to all permits and will treat their property in an environmentally sound way that will enhance Gambier Island!

Thank you for your work and your attention to the Moi application.
