Island: Gambier Island Local Trust Area – Keats Island **Bylaw Nos.:** 153 (OCP) & 154 (LUB) **Date:** July 27, 2021

You are requested to comment on the attached Bylaw for potential effect on your agency's interests. We would appreciate your response within approximately 60 days by **October 18, 2021**. If no response is received within that time, it will be assumed that your agency's interests are unaffected.

APPLICANTS NAME / ADDRESS:

Gambier Island Local Trust Committee

PURPOSE OF BYLAWS:

The purpose of the bylaws is to establish a new Development Permit Area (Shoreline) and to amend siting and size regulations in relation to the natural boundary of the sea and marine structures.

Proposed Bylaw No. 153 will, if adopted, amend the Keats Island Official Community Plan Bylaw No. 77, 2002 to establish Development Permit Area 3: Shoreline (DPA 3) for the purpose of protecting the natural environment, its ecosystems and biodiversity, and to protect development from hazardous conditions. The DPA 3 would be applicable to nearshore upland and marine areas, and includes objectives to:

- regulate new development to preserve, protect and restore foreshore and marine areas;
- balance development opportunities with the conservation and restoration of the shoreline and marine environment;
- minimize disruption of natural features and processes and retain natural vegetation;
- maintain safe public use and access to important recreation areas, while not compromising shoreline ecological integrity;
- adapt to anticipated effects of climate change;
- protect coastal properties and development from hazardous conditions.

Proposed Bylaw No. 154 will, if adopted, amend the Keats Island Land Use Bylaw No. 78, 2002 to:

- increase the setback from the natural boundary of the sea from 7.5 metres to 15 metres;
- limit the floor area, number and types of structures permitted within the setback from the natural boundary of the sea;
- increase setbacks between private floats and docks from side lot lines and from adjacent private floats and docks;
- reduce the permitted float area and dock ramp width.

Proposed Bylaw No. 154 would also include the DPA 3 guidelines, exemptions and applicability.
