Subject: Application for Fords Cove store on Hornby Island to change existing building to staff accomqdtion

I am a long term Hornby Resident and I am in full support of the application for Fords Cove to change existing building into staff accommodation. This business is vital to Hornby Island for the community, businesses and employees. Staff accommodation is a problem everywhere so let's do all we can to support this well run business continue to provide excellent service. Annie Fearman [REDACTED]
