Subject: Ford Cove Accommodation

Dear Trustees, we are speaking in favour of Ford Cove Store, Restaurant and Camp Ground. The owners have employed many people over the years and have always tried to accommodate those who wanted to work but didn't have a place to stay.

We all know that tourism is a driver for many on the island but that tourism also does inflate the cost of rentals. In light of that we strongly urge you to allow Ford Cove to continue to provide a place for their employees.

Thankyou, Jim and Bronwen McLeod (63 year residents of Hornby Island)
