Subject: Ford Cove staff housing project

To whom it may concern,

I am writing this letter to express my support for the Fords Cove staff housing project. I used to own and run a local restaurant on Hornby Island in the past and employed many off islanders for 16 years. I understand how difficult it is to find enough staff unless housing is provided and believe that our local economy is depending on it. Every local business struggles with this issue in the summer, including our Co-op.

Kind regards
Sabina Fullborn

Former owner and manager of Vorizo restaurant.
