Subject: Fords cove staff accommodation

Good afternoon, my name is Caroline Eisler I am a full time resident of Hornby island.

I am writing to you today in support of the Fords cove staff accommodation.

Housing opportunities are incredibly difficult to acquire here on Hornby, especially clean and safe housing. In the busy season there is even less available. Due to the lack of housing our businesses struggle even more to keep up with the increased traffic on the island.

I am very fortunate as I live on my family property, which is the only reason I am able to live and work on the island.

I fully support the staff accommodation it will be a great benefit to us all.

Best regards,

Caroline Eisler.
