You may be interested to know that I heard every word and have notes of what every person said. Where we are the cell reception is not good so i get better audio reception with the video off. I think Tim said this. My thought also, do people really want to look at me but I guess some do.

I agree that Local TC meetings should be in person on Hornby to be truly “Local” and with zoom so off island people can be part of the meetings.

My thoughts

All three of those attachments were excellent. Can't wait to put Carla's letter into every mailbox.

Season's Greetings, CRHI Members, Friends & Allies,

Please see my comments on the last Dec 143 LTC meeting, below.

Also attached: Christiane's excellent letter to trustee Alex Allen (also distributed by her) and lawyer Carla Conkin's Dec. 11 submission (which I've previously sent.)

Please enjoy your well-deserved holidays.

Onward to the defeat of Rogers tower in '24!
