Mikaila Lironi Islands Trustee

I'm getting into my groove and learning the ins and outs of being a Trustee. December began with 3 days of meetings on Zoom. They were intensive and there was a plethora of information relayed, but not only did I survive, I learned a lot. All in all, it was a good introduction on how remote meetings are run.

I joined the Regional Planning Committee so that, among other things, I could have input about community planning for our island. I'm looking forward to our first Local Trust Committee meeting on January 23rd at the JFC.

We'll hopefully be able to appoint a new APC (Advisory Planning Commission). If you're interested in having input on the future of Lasqueti and being in the loop, please consider joining. The time commitment isn't too great, and it's important to have a variety of voices when planning our community's future. Please contact Tim or I for more details.
