Mikaila Lironi Islands Trustee

Hi all, I'm going to keep this short, as Tim has done a great job at answering questions and explaining what's been going on with the Trust. I'm looking forward to our next trust council meeting in June on Gabriola Island. Visiting other islands and spending time with trustees has been an extremely valuable part of this position. I've learned how other islands are dealing with similar problems to ours, and how alike we are despite not having the same amenities as other islands. Our next LTC isn't until July 26th, but I'd love to see some new faces at the town hall portion of the meeting. Our APC members are going to start working on defining "Community Benefit" for our OCP so that we can wrap it up and have a more current OCP. The OCP that is currently in effect was last updated in 2005, so I'm really glad that we are in the home stretch of the review.

Stay cool, wear sunscreen/a hat, and lemonade with a bit of salt is a great homemade electrolyte.
