

Islands Trust
Mikaila Lironi *Island Trustee*

This is going to be brief as not much has been going on regarding the LTC in the last month, What has happened is that my informal housing survey summary came out in the paper. I hope you were all able to read it. I received very positive feedback and look forward to exploring how Lasqueti can deal with the housing crisis. I attended a Regional Planning Committee meeting where we delved into a variety of housing solutions. I encourage anyone who feels strongly about improving housing affordability and availability on our island to attend our next LTC. As I am only a representative, I do not feel like it's my place to push any changes without community involvement and encouragement.
