slandsTrust

Tim Peterson *Island Trustee*

Greetings all, At our October 23rd meeting, the Lasqueti Local Trust Committee were advised by staff that a new application has been submitted for the private dock in Scotty Bay. We were further advised that court proceedings will be in abeyance while the application is considered. It will come before the LTC in the new year, and there will be opportunity for the public to speak to the application.

Our ongoing review of the Official Community Plan, which will be followed by a review of the Land Use Bylaw, is also an opportunity to consider whether our bylaws are serving the interests of the community, and whether any should be changed. The report from the LCA OCP Review Committee, following a series of community forums, makes some recommendations, and can be found on the Lasqueti website at:

<https://lasqueti.ca/lca/ocp-review>. If you would like a paper copy, please let me know, and I will get you one.

In addition, if there is a community desire to review our bylaw enforcement process, this can also be looked at. I have posted a document outlining the current process on the webpage at: <https://lasqueti.ca/node/7394> and can also make paper copies available by request. It is important that the community is engaged in in these processes, to better inform the decisions that will need to be made. Please consider coming and speaking in person or online at our meetings, or in writing. The email address is:
