Tim Peterson Island Trustee

Greetings all, The final Lasqueti Local Trust Committee meeting of the year will be held electronically on Dec. 11, at 11 AM. We will make sure that the meeting link is put out on the email list. Note that if you want to participate rather than just watch, you will need to register in advance on the Lasqueti page of the Islands Trust Website. Go to:

<https://islandstrust.bc.ca/event/lasqueti-ltc-regular-meeting-6/>

to find out more. We will be considering adoption of the updated Meeting Procedures Bylaw, receiving a staff report on the OCP/LUB project, and there is a delegation request from Karl Darwin from Lasqueti Island Ratepayer's Association regarding Docks.

Dec. 5-7 will be the final Trust Council meeting of the year. The main item will be considering business cases for the March budget. The information, including agenda and meeting links, can be found on the "What's Happening" page of the website.

As this is the final edition of the Lasqueti Local, I would like to thank Dianna for her dedication and hard work putting together a local publication for all these years. While I will be sorry to lose this community resource, I understand that after a tremendous amount of volunteer labour, eventually the time comes to move on. If we are lucky, perhaps someone else will pick up the banner and once again provide the community with a neutral and community-based publication in the future. As always, feel free to contact your trustees with your questions, comments, and concerns.
